SERVICES OVERVIEW:

- **Institutional 'Full' Accreditation:** EAHEA's comprehensive evaluation for traditional higher education institutions, assessing overall academic, administrative, and financial quality. Full Accreditation does not cover the accredited member's educational programs or courses, and it does not imply that EAHEA endorses or validates the diplomas, certificates, titles, or degrees issued by the accredited member to its students.
- **Associate Membership:** Institutional membership (non-accreditation) for organizations operating in education, providing recognition, networking, training access, event discounts, and use of EAHEA membership credentials. Membership does not imply accreditation and does not grant members the rights or privileges of accredited institutions.
- **Quality Certification:** An institutional endorsement demonstrating that the organization's education management, processes, and outcomes meet EAHEA's quality benchmarks, promoting continuous improvement and international recognition of academic excellence.
